

THIS COMMUNITY CARES

- Arlington and Marysville have many generous people who want to help others.
- Panhandling is a community-wide problem that adversely impacts the images of our cities and neighborhoods, local businesses, and perception of public safety.
- If we stop giving cash to panhandlers, their behavior won't be rewarded and is likely to decrease.
- Feel free to share this information with those who may be in need.
When you want to donate, please consider giving to a local charity instead of to panhandlers.

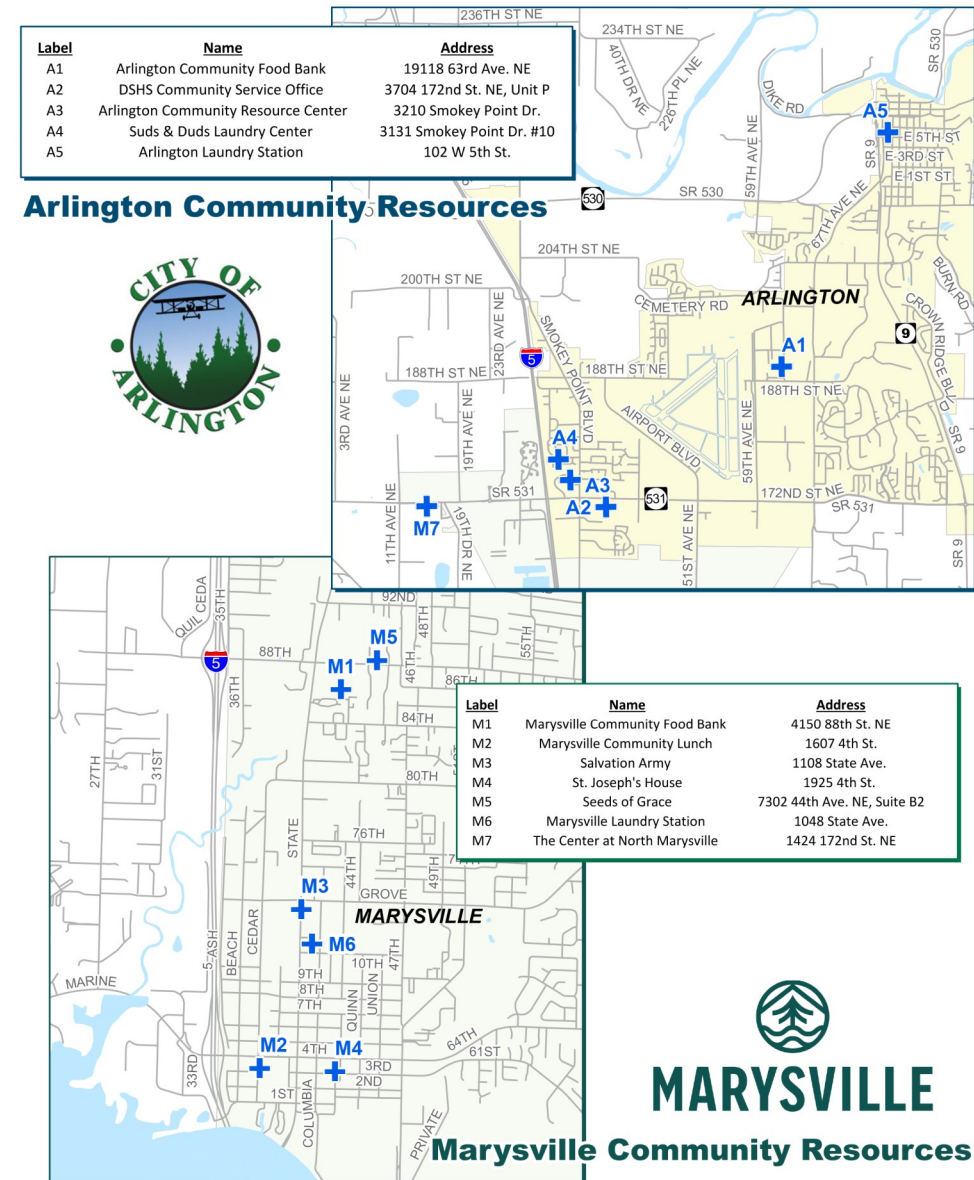

Community Resources
